

Media Converter Rack

2U 19inch Rack-mounted Chassis

The 2U rack-mount chassis provides 14slot and 16slot for media converters, 14slot is for standalone type media converter, 16slot type for media converter card. It comes with one AC or DC power input, with an optional redundant power expansion AC or DC module available to enhance reliability.

Features

- > 2U, 19" Rack
- > 14/16 slots for media converter
- > Power AC 110 ~ 240 VAC
- > Redundant power to each individual converter
- > Provides central power to each individual converter

Specification

- > Standard 19-inch rack-mountable, 2U height
- > 2 cooling fans with air filters on the rear panel
- > Allows the Hot-plugging for all media converters and power supplies
- > Optional dual-power line inputs available
- > Offers the over-voltage and over-current protections
- > Adopts the passive back-plane architecture and ensures the steady power input for each media converter
- > Protection of power supply: circuit-breaker when over-voltage; circuit-breaker when overflow; circuit-breaker when short circuit.

Slot Number	14/16
14slot	For Standalone Type Media Converter(DC plugs for power)
16slot	For Card Type Media Converter(Fingers for power)
Material	Iron
Power in	AC100~240V, DC48V(optional)
Power out	DC5~12V
Max. Power Consumption	120W
Operating Temperature	0~70°C
Storage Temperature	-40~85°C
Humidity	5~95%

Ordering Information

Part Number	Description
AE-2U14-SP	2U 14slot rack, with single power supply, for 14pcs standalone media converter
AE-2U14-DP	2U 14slot rack, with dual power supplies, for 14pcs standalone media converter
AE-2U16-SP	2U 16slot rack, with single power supply, for 14pcs media converter card
AE-2U16-DP	2U 14slot rack, with dual power supplies, for 14pcs media converter card
